

Notes: More duck ponds

7 to 9

Solutions

1 (7) (7) (2) (2)
in any order

2 (4) (4) (4) (3) (3)
in any order

3 (5) (5) (2) (2) (2) (2)
in any order

Extensions

You could try similar problems with other numbers. For example,
with 15 ducks and 4 ponds
make each hold 3 or 4
(4, 4, 4, 3)

with 15 ducks and 5 ponds
make each hold 2 or 3
(2, 2, 2, 3, 3)

with 25 ducks and 4 ponds
make each hold 6 or 7
(6, 6, 6, 7)

Count in small groups; find totals up to 18
