## The look-out

- 1 Pirate Pete dug up some gold coins.

He gave one quarter of them to his mate, one sixth to the bosun and one twelfth to the look-out.

He kept the other 12 coins.

How many coins did the look-out get?

- 2 Pirate Pete dug up some rubies.

This time he gave one third of the rubies to his mate, one quarter to the bosun and one fifth to the look-out.

He kept the other 13 rubies.

How many rubies did the bosun get?
